ERROL ALLEN

INDEPENDENT RECORDING ARTIST | SONGWRITER | SYNC CREATIVE

IT IS ONLY CRAZY UNTIL IT HAPPENS.

ERROL ALLEN

ARTIST OVERVIEW

HEART ON DISPLAY. INDEPENDENT BY DESIGN.

Errol Allen is an independent recording artist, rapper, singer, songwriter, actor, and creative founder whose music turns lived experience into records about love, loss, perseverance, conviction, and purpose. His melodic delivery moves between hard hitting production and atmospheric soundscapes while keeping honesty at the center.

As founder of WE BLESSED FOREVER ENTERTAINMENT, LLC, Errol extends that vision into music, culture, apparel, sync, and creative partnership. Every chapter becomes part of a larger story built to remind listeners that their darkest moment is not the end.
